Updated:
December 2017

Dear Sugar Sugar Employee,

The “how and where” of what we buy is important. So are the “how and where” of what we sell. Just like Skin From Scratch; our Sugar Sugar products are cruelty free, smart, simple and effective. Below you will learn about our Organic Body Polish and Sugar Smooch. To sell these products to clients; you'll want to know as much as you can about them. Knowing these simple products will help you build your clientele. It will also build your sales commission. These products are simple, non-”product” sales (impulse buys) created to help clients with their skin goals and benefit your sales commission.

Sweetly,
Aimee Blake – Owner Sugar Sugar
